

Setup Instructions to View Services at Christ Episcopal Church Red Wing

Go to bebloomin.com.

Click on Register in the list of options at the top of the page.

When the next screen opens, click Register in the middle of the page.

The registration window opens. Complete all the fields except the email and authorization code. Use 55066 for the zip code no matter where you live.

Write down your user name and password and store it where you can find it.

Click Register at the bottom.

You will see a login screen. Click the Login arrow.

Enter the user name and password you just created. Click Next.

The main screen contains many options. Click Next or Previous to move between screens.

To view a service at CEC, click on the Community circle.

Next, click the Faith box.

Click the Christ Episcopal box.

Click the View Service box.

The views are at the left of the screen. You may momentarily lose sound if you choose a different view. Click Full Screen View for a larger image.

Click the Start button to return to the home page where you can log out.
